

CAH A48 STORAGE SHED

The CAH A48 STORAGE SHED was designed by award-winning builder and designer Charles W. Howard, President and CEO of CALLAHEAD. The CAH A48 is an extraordinarily designed portable storage unit that will stand out and add value to any location. Constructed of the highest quality materials and manufactured by CALLAHEAD with marine grade products for superior strength with plenty of space to safely store valuables and personal property within a climate-controlled unit. The CAH A48 STORAGE SHED is an upgrade from CALLAHEAD's Portashed series. In addition, CALLAHEAD's CAH A48 STORAGE SHED is available in several color choices to give our customers the opportunity to select the perfect shade for every site.

The CAH A48 STORAGE SHED will protect your personal property in style. Keep sports equipment, pool supplies, expensive tools, gardening equipment, and other yard supplies stored away from inclement weather and well secured from theft and damage on your property for easy access. The CAH A48 was built using only premium heavy-duty materials and will look spectacular in any location. A steel commercial fireproof door and a full heavy-duty lock across the door offer maximum protection of your valuables. In addition, the door has a key lock entry and an interior locking system. CALLAHEAD New York specialty-designed signage represents the absolute best in the field.

Our CAH A48 is constructed of high-density polyethylene marine grade plastic. Marine grade diamond plate aluminum and built-in marine grade stainless steel fasteners deliver durability you can see. CALLAHEAD offers the CAH A48 in blue, green, orange, brown, indigo, arctic white, dolphin gray, and red. Having a color to match the location will look like the CAH A48 STORAGE SHED was built especially for the area. For example, at the golf course or private home, CALLAHEAD recommends renting the green CAH A48. However, an orange CAH A48 STORAGE SHED is the preferred choice for the construction site.

Not only does the orange color match all the safety equipment at the jobsite, but the CAH A48 will also add another layer of safety. The polished aluminum finish looks incredible. The ornamental design of various metals with diamond plates, makes the CAH A48 STORAGE SHED stand out like no other portable shed ever designed.

CAH A48's interior is just as impressive as the exterior. The enormous interior boasts four levels of shelving constructed of marine grade materials for durability. The top two shelves are an L-shape to provide generous storage space inside the unit while also providing plenty of standing room and floor space to store and retrieve supplies. The shelves and trim throughout the interior are a polished diamond plate aluminum with stainless steel fasteners. The interior walls match the CAH A48's exterior color. Faux wood Armstrong flooring brings a homelike style to the interior design. A Braun 1600 Watt fan forced wall heater will keep a comfortable climate to protect valuables and keep you warm inside during freezing temperatures. There is also a 2-way electrical outlet and a porcelain pull chain light fixture for convenience.

CALLAHEAD's CAH A48 STORAGE SHED is not just for construction. Private residences and estates also benefit from the CAH A48 STORAGE SHED to store valuables when they just do not have enough space in the attic, garage, or basement. Or, when you need outdoor storage shed for your pool and yard supplies, the CAH A48 placed in the pool area will look great while providing plenty of storage nearby and protecting personal property from weather, damage, and theft.

Amusement parks, carnivals, and fairs can all use portable storage units for valuables on-site, so you won't need to transport equipment back and forth. The CAH A48 can be delivered exactly where you need it to be. Schools and universities also rent the CAH A48 to keep sports equipment and other supplies by sports fields, courts, and pools for quick and easy access. The CAH A48 is architecturally designed to stand out and will add value to landmarks, estates, government buildings, or to any business or real estate. The CAH A48 STORAGE SHED will look as though it was built just for your location.

The CAH A48 is the ideal storage unit to protect personal items from the outside elements and debris or for storing equipment used during renovations, so they are easily accessible. No need to go to a storage facility when you can have the CAH A48 delivered to your property. With CALLAHEAD's CAH A48 STORAGE SHED, you can have the storage unit come to you and placed anywhere you select. Small furnishings, housewares, and other personal property will all be kept safe and close by with the CAH A48.

As an added convenience with just one phone call, CALLAHEAD's CAH A48 STORAGE SHED can be easily relocated from job site to job site to follow construction crews when necessary. When you want a secure, portable storage unit, the CAH A48 is the perfect solution.

The CAH A48 STORAGE SHED is a CALLAHEAD innovation unavailable anywhere else. Only CALLAHEAD develops equipment utilizing the highest quality materials to supply our clients with incredible value with every rental. Since 1976 we have consistently designed and developed cutting-edge equipment for New York.

The CAH A48 STORAGE SHED rental is available for same-day delivery. As with all of CALLAHEAD's equipment, the CAH A48 STORAGE SHED will be delivered to your location by a CALLAHEAD professional delivery specialist. In uniform, our delivery specialist will arrive at your site in one of CALLAHEAD's signature delivery vehicles and position the CAH A48 STORAGE SHED in your desired location. CALLAHEAD's unmatched service is available throughout New York City's five boroughs Manhattan, Brooklyn, Queens, Bronx and Staten Island, Westchester County, and all of Long Island's Nassau and Suffolk Counties.

CAH A48 STORAGE SHED OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items to your CAH A48 STORAGE SHED security booth rental. All of CALLAHEAD's rental accessories for security sheds and ticket booths were selected to provide comfort, security and the utmost sanitary conditions. CALLAHEAD's security booth accessory items are unmatched in the portable sanitation industry and include:

Air Conditioner installed inside any CAH A48 STORAGE SHED to deliver a comfortable workstation during New York's hot summer months • Antiseptic Dispenser installed inside the A48 SECURITY BOOTH filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection for yourself and those you come in contact with. The antiseptic dispenser supplies approximately 900 – 1300 uses and is 100% maintained and refilled when needed by CALLAHEAD with its rental • GoJo Hand Cleaning Dispenser installed inside the CAH A48 STORAGE SHED and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to easily break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental • Paper Towel Dispenser installed inside the CAH A48 rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental • Headmist Time Released Air Freshener installed inside the CAH A48 STORAGE SHED that will release a fresh clean scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental
