

## CALLAHEAD'S HAMMERHEAD RESTROOM

The HAMMERHEAD Portable Restroom is a CALLAHEAD specialty design for long term rental locations. The HAMMERHEAD is designed specifically for waterfront areas. Marina's, fish markets, beachfront neighborhoods, and waterfront bars, restaurants, and construction sites are where the HAMMERHEAD Portable Restroom was designed for by CALLAHEAD's President and CEO Charles W. Howard. The HAMMERHEAD is a CALLAHEAD brand to deliver the cleanest portable restrooms in the field. CALLAHEAD's cleaning service is second to none with hospital grade sanitation using only hospital grade cleaners and disinfectants at every service. CALLAHEAD has been in business since 1976 and is the greatest portable sanitation company in the industry. We offer same-day delivery and around the clock cleaning service to accommodate any job. CALLAHEAD is a New York company serving only the New York area. With over 260 New York dedicated CALLAHEAD employees and growing you are assured of the best possible service and equipment at the jobsite. The HAMMERHEAD's design will enhance any waterfront location whether it is Montauk, Freeport, Port Jefferson, Greenport, Rockaway Beach, Jones Beach, Coney Island, or along the East River, Jamaica Bay, Sheepshead Bay, or by the Hudson River at Chelsea Piers. The two different ocean blue exterior colors will enrich any waterfront area.

The specialty CALLAHEAD signage includes an image of its namesake the hammerhead shark artistically designed adding to its value. The HAMMERHEAD's design will enhance any waterfront location whether it is Montauk, Freeport, Port Jefferson, Greenport, Rockaway Beach, Jones Beach, Coney Island, or along the East River, Jamaica Bay, Sheepshead Bay, or by the Hudson River at Chelsea Piers. The two different ocean blue exterior colors will enrich any waterfront area. The specialty CALLAHEAD signage includes an image of its namesake the hammerhead shark artistically designed adding to its value.

The HAMMERHEAD Portable Restroom was developed with marine life in mind for seaside locations. Constructed of high-density polyethylene for strength, the HAMMERHEAD represents the very best in the portable sanitation industry. The roomy interior design is equipped with high flow molded-in vent screens for continuous airflow to reduce odor. The interior provides a convenient coat and hat hook, corner shelf, a gender friendly hover handle and mirror. The toilet seat is positioned precisely to reduce visibility to the urinal and reduce urine odor. The back corner vent stack not only efficiently vents odor from the highest point of the tank but also creates a roomier feel. The antiseptic dispenser is wall mounted on the interior for sanitary protection and to help reduce the spread of germs at the jobsite.

The HAMMERHEAD Portable Restroom is the only design of its kind and the cleanest portable restroom in the industry. The highest sanitary conditions are essential today more than ever. CALLAHEAD's world renowned weekly cleaning service is provided with every long-term HAMMERHEAD rental. CALLAHEAD guarantees hospital grade cleaning and disinfecting by trained uniformed service technicians for all our equipment upon delivery and at every cleaning service. Our hospital grade cleaners and disinfectants kill 99.9% of germs and bacteria, including the Coronavirus, H1N1, SARS, E.coli, the common cold, flu and other dangerous viruses, germs and bacteria.

Once you enter the HAMMERHEAD through a spring-loaded door you see a very spacious interior. The door locks from the inside and triggers an exterior occupancy sign for privacy. The interior of the HAMMERHEAD is extremely spacious with a full-size comfortable toilet seat. A covered double toilet paper dispenser is conveniently located near the toilet and filled with CALLAHEAD brand toilet paper. The separate non-splash urinal is located at the furthest point from the toilet seat, something every user will appreciate. The urinal is also connected to a vent pipe to prevent odors from lingering inside the portable restroom. A wall mounted antiseptic dispenser is filled with hand sanitizer to kill 99.9% of germs and bacteria to help eliminate the spread of germs. The coat and hat hook on the interior of the HAMMERHEAD will provide users a place to hang a tool belt or other personal items. A convenience shelf is also provided. On the interior door are a mirror and a hover handle. The smooth interior wipes easily clean will not absorb odors. The HAMMERHEAD has a chimney stack along with molded-in vent screens to provide excellent air flow and release any odors from previous users. The HAMMERHEAD's aqua translucent roof delivers bright natural light inside the restroom.

CALLAHEAD is a New York company serving only New York. Our team of over 260 New York employees will deliver the greatest portable toilet service directly to your location. With over 150 vehicles on the road daily throughout New York City's five boroughs and all of Westchester, Nassau and Suffolk Counties you are guaranteed the greatest experience for a stress-free rental.

The HAMMERHEAD is a long-term portable toilet rental. A CALLAHEAD uniformed delivery specialist will deliver the HAMMERHEAD and place it in the location you select. CALLAHEAD's weekly cleaning service is included with every long-term rental by a trained uniformed service technician. At each cleaning service, our professional technician will arrive in one of CALLAHEAD's shiny signature tank trucks to clean and sanitize the HAMMERHEAD with only hospital grade cleaners and disinfectants plus re-stock toilet paper supplies. The technician will also sign and date the CALLAHEAD sign-in sheet installed inside every HAMMERHEAD Portable Restroom.

The HAMMERHEAD Portable Restroom is available for same day delivery. It is also a popular rental for construction crews. We service all of New York City's five boroughs of Manhattan, Brooklyn, Queens, the Bronx and Staten Island, Westchester County and all of Nassau and Suffolk Counties on Long Island.

## THE HAMMERHEAD PORTABLE RESTROOM

### THE HAMMERHEAD PORTABLE RESTROOM OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items for your HAMMERHEAD Portable Restroom rental. All of CALLAHEAD's rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. CALLAHEAD's portable restroom accessory items are unmatched in the portable toilet industry and include:

**GoJo Hand Cleaning Dispenser** installed inside the HAMMERHEAD Portable Restroom and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to quickly break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental. **Paper Towel Dispenser** installed inside your HAMMERHEAD Portable Restroom rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or GoJo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled when needed and 100% maintained by CALLAHEAD when rented. **Headliner Toilet Seat Cover Dispenser** installed inside the HAMMERHEAD filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Headliners are refilled when needed and 100% maintained by CALLAHEAD when rented. **Headmist Time Released Air Freshener** installed inside the HAMMERHEAD Portable Restroom that will release a clean, fresh scent automatically. Headmist Time Released Air Freshener is refilled when needed and 100% maintained by CALLAHEAD when rented. **Containment Tray** is highly recommended to accompany every portable restroom rental to assist in meeting local, state, and federal run-off regulations. Any fluids that may leak from the portable toilet and will conveniently drain towards the rear of the tray to a pump out location for our uniformed service technician to remove when servicing the portable toilet.
