## **JOB-SITE 80** BY CALLAHEAD **3-STATION RESTROOM TRAILER**

The JOB-SITE 80 3-STATION RESTROOM TRAILER is a 16.5-foot portable bathroom trailer by CALLAHEAD designed specifically for long-term rental and construction locations. This original design by Charles W. Howard, President and CEO of CALLAHEAD, will deliver the perfect mobile restroom trailer that is sanitary, durable and looks great at the job-site.

Because the larger JOB-SITE Restroom Trailer is in such high demand, the JOB-SITE 80 is the perfect option for locations that do not require one of our larger trailers.

When you see the JOB-SITE 80 interior, you will know it was designed especially for the construction industry. The interior colors of orange and gray, which are common on construction sites, will be an asset to your location. Comprised of separate men's and women's restrooms, employees will appreciate the restrooms privacy and comfort it offers.

The JOB-SITE 80 3-STATION RESTROOM TRAILER guarantees to deliver more than just sanitary and comfortable restroom facilities, as a CALLAHEAD brand restroom, you also will receive service that is second to none. The JOB-SITE 80, you will receive service that only CALLAHEAD can deliver from our decades of service and experience.

The JOB-SITE 80 is available throughout New York City's five boroughs, Westchester and all of Nassau and Suffolk Counties on Long Island. As a 3-station restroom, it provides separate restrooms for men and one for women. It will also be delivered with all the amenities included for sanitation and comfort. Plus, thanks to the thermostat heat and air conditioning system the JOB-SITE 80 3-STATION RESTROOM TRAILER will supply comfortable restroom facilities on the job site throughout the bitterly cold winter as well as in the humid New York summer.

You enter the separate women's and men's restroom using the floating steel staircase with aluminum handrails with two point support for strength. The entry doors display CALLAHEAD's signature signage representing the best restroom trailers in the industry. The trailers exterior lighting system is valuable for evening construction jobs. The women's restroom has a private bathroom stall.

The women's stall is equipped with a porcelain flush toilet, dual toilet paper dispenser, covered trash receptacle, coat and hat hook, and door locking system. The men's restroom has a private bathroom stall with the same features as the women's stall. However, the men's restroom is also equipped with a Sloan porcelain waterless urinal. For privacy, the urinal is enclosed on three sides and operates odor free due to a special filter system. A marble shelf above the urinal is also provided for convenience.

The stalls in the men's and women's restrooms are a bright orange which matches the colors of construction equipment safety equipment and machinery. Each of the restrooms has Corian vanity countertops with a stainless sink basin. The automatic faucets will deliver hot and cold running water. Wall mounted soap and towel dispensers are easily accessible.

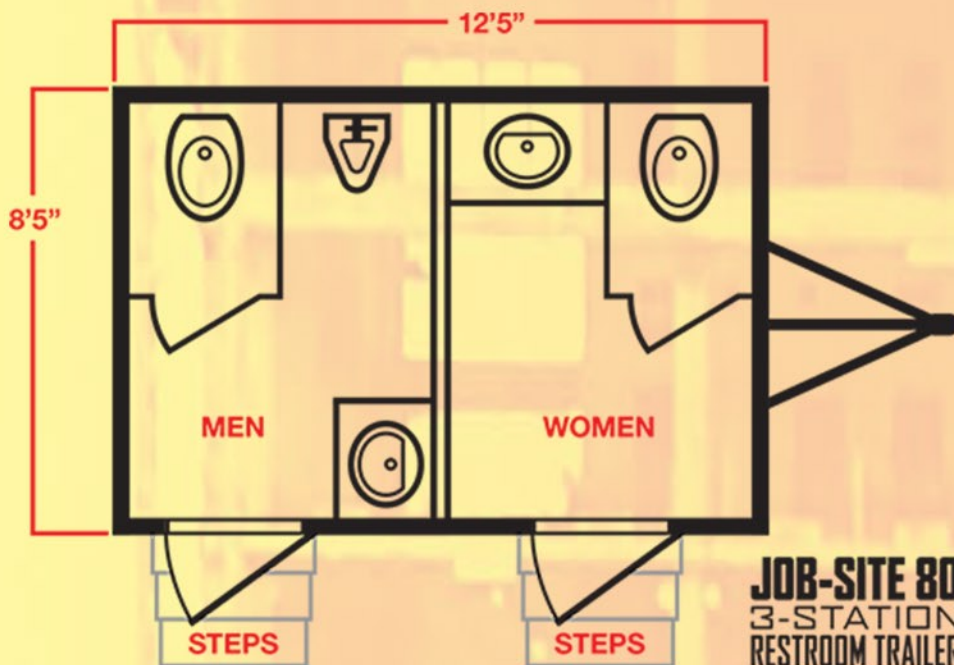

The vanity's built-in trash receptacle provided to drop the beneath the sink to help keep the restroom clean. In addition to the framed vanity mirror above the sink, there is also a full-length mirror in both restrooms. Beneath the sink is a storage area for extra supplies. The solid wood gray cabinet doors of the vanity are outfitted with brushed nickel door knobs.

The JOB-SITE 80 restroom trailer's gray, smooth fiberglass-paneled surfaces will wipe easily clean. Our heavy-duty rubberized coined laminate commercial grade floors throughout the men's, and women's restroom are perfect to handle tough activities on the construction site. Built using only the highest quality materials, the restrooms exceptional sturdy design combined with CALLAHEAD's unsurpassed service means only the greatest portable restroom experience at your location.
