## **JOB SITE** by CALLAHEAD **RESTROOM TRAILER**

The JOB-SITE RESTROOM TRAILER is CALLAHEAD's extra-large 32-foot portable bathroom trailer for construction site locations and long-term rental needs. This is another one-of-a-kind original design by Charles W. Howard, CALLAHEAD's President, and CEO. As with all of Mr. Howard's innovations, there is a muse behind every one of his designs. Once you step inside the JOB-SITE, it is apparent this restroom trailer was created by Mr. Howard for the construction industry.

This is the perfect portable restroom rental for building, commercial or any major construction job. The interior was designed using orange and gray, colors most commonly seen on construction sites. The JOB-SITE restroom trailer provides much more than clean bathroom facilities to the construction industry.

With the JOB-SITE RESTROOM TRAILER, you'll receive the highest sanitation, comfort, durability, style and service that only CALLAHEAD can provide. Because this is a CALLAHEAD brand, you also have decades of experience so you will have peace of mind you are receiving the best in sanitary restrooms.
