

## The Mount Vernon BY CALLAHEAD

### LUXURY RESTROOM TRAILER

CALLAHEAD's **MOUNT VERNON** Luxury Restroom Trailer is the first colonial design for the portable sanitation industry. Guests will be amazed once they step inside this work of art. Another design by Charles W. Howard, President and CEO for CALLAHEAD to add to our already extensive list of exclusive portable restroom options for our customers. Mr. Howard's goal when designing the **MOUNT VERNON** was to combine necessity with luxury. The **MOUNT VERNON**, named after George Washington's home, accomplishes this and more. When you enter the **MOUNT VERNON**, the extensive detail and design of this 18.5-foot trailer will make you feel like you were transported inside a colonial building of the 1700's. Available rental for New York special events, the **MOUNT VERNON** is equipped with 5-stations to accommodate weddings, corporate functions or any social gathering when you desire elegant and clean bathroom facilities for your guests.

The **MOUNT VERNON** is professionally delivered, and set-up with all of the extra luxury amenities included. This is a luxury restroom trailer equivalent to restrooms inside five-star hotels sparing no expense on detail and design. The **MOUNT VERNON** brings opulent restroom facilities to your location which includes custom framed artwork, floral arrangements, designer soap dispensers, hand towels, filled tissue holder, candy dish, surround sound music system, and thermostat heat and air conditioning. Both the women's and men's restrooms have completely private bathroom stalls with white porcelain flushing toilets and Sloan white porcelain waterless urinals (men only).

The women's restroom has two completely private bathroom stalls with floor to ceiling wood lockable doors. The men's side has one very spacious bathroom stall. The stall doors have a polished brass door set with an elegant crystal knob. Polished brass hinges leave no detail unturned. Each bathroom stall has a porcelain flushing toilet, polished brass toilet paper holder, custom framed artwork, polished brass coat and hat hook and trash receptacle. The men's restroom has two porcelain waterless urinals. The urinal area has faux aged copper walls and privacy dividers with elegant onyx marble caps. The **MOUNT VERNON** Luxury Restroom Trailer has a bright white exterior with outdoor lighting making it the ideal choice for day or evening events. The completely private women's and men's restrooms are clearly marked and have CALLAHEAD's signature "Luxury Restroom Trailers" signage elegantly displayed. Each of the restrooms entrances is equipped with wide floating steel framed staircases with stainless steel handrails for strength.

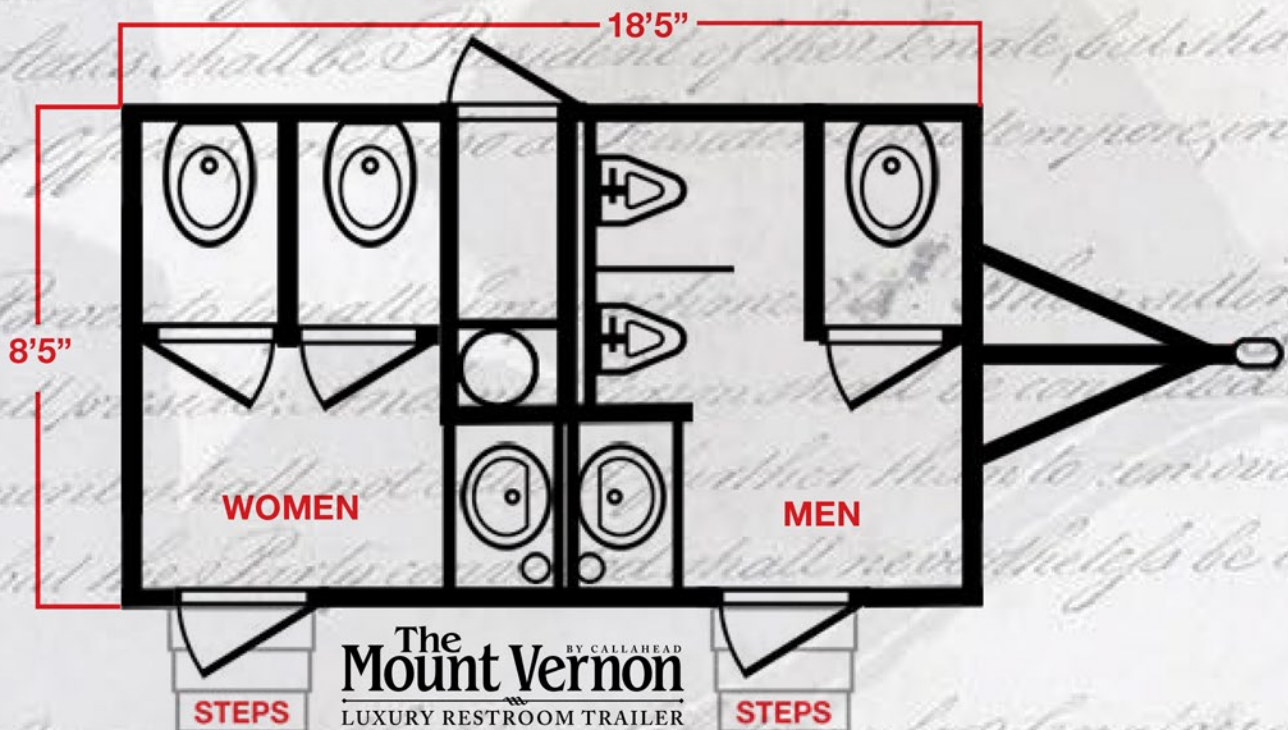

When you enter the **MOUNT VERNON**, you will see Charles W. Howard was inspired by the colonial era when creating this luxurious restroom trailer. Because the trim work was much heavier during the 17th century, you will notice much of the wood details are much larger throughout the restroom. There are larger crown moldings with dental work as well as large panel moldings. The chair rail moldings are also bigger. To make the panel moldings appear more recessed, we stepped out the crown moldings and chair rail moldings an extra 1/2". Then we used 4" wide wainscot to create a heavier look including a larger base molding. The extensive details continue with large casement moldings around the doors with a frieze molding above each door, vanity and around every skylight. The wood panel walls continue up to the wainscot ceilings. Since candles were used for lighting in the 1700's we have incorporated beautiful polished brass candle wall sconces. The custom gold framed artwork reminiscent of the days of George Washington add to the restrooms rich décor.

The **MOUNT VERNON's** vanity counter top is a rare beige and white onyx marble exemplifying the colonial era. Kohler porcelain Victorian sink basins with Chrome Moen faucets have automatic shut off and provide hot and cold running water options. Designer antibacterial soap dispensers, hand towels, tissues and candy dish, are all included. The vanity's built in trash receptacle drops the trash beneath the sink to keep the sink area clean. The sink area walls have a faux aged copper look that enhances to the restrooms colonial design. The picture frame vanity mirror above the sink has low voltage recessed lighting. The beautiful floral arrangement adds a warm touch to the bathroom. There also storage beneath the sinks for extra supplies. The two women's private bathroom stalls have a porcelain flush toilet bowl and polished brass toilet paper holder. A pedal flush porcelain toilet bowl provides easy hands-free operation. There is a coat and hat hook and personal trash receptacle in every stall. There is also elegantly displayed framed artwork in each stall. All of the artwork inside this luxury restroom trailer was carefully selected and custom framed special for the **MOUNT VERNON**. The men's restroom has one private bathroom with all the same luxury designs and elements of the women's restroom. However, the men's side also includes two waterless porcelain urinals with a privacy divider. The privacy divider is a faux aged copper with trim work and beautiful onyx marble caps. There is also an onyx marble shelving area above the urinals.

The **MOUNT VERNON** brings 17th-century opulence with modern luxuries to provide your special event with classic design in the world's best restroom trailers for your big event. The **MOUNT VERNON** has thermostat heat and air conditioning for year round comfort inside. LED ceiling lighting and stylish candle style wall sconce light fixtures provide plenty of light inside the restroom trailer. Skylights will also deliver natural light. Every private bathroom stall is also equipped with its own personal ceiling vent for extra ventilation when you want it. Electricity for the **MOUNT VERNON** Luxury Restroom Trailer runs from a standard 110 Volt outlet or generator.

The **MOUNT VERNON** is available for delivery throughout all of New York City's five boroughs of Brooklyn, Queens, Westchester, the Bronx and Manhattan. A CALLAHEAD professional uniformed delivery specialist will arrive to set up the restroom trailer at your specified location. Set-up will take approximately 30 minutes. This luxury portable restroom trailer can handle use of hundreds of people for any special event. If necessary, the **MOUNT VERNON** can also be hooked up to a 3/4" garden hose connection with a pressure regulator for fresh water hookup for convenience.

CALLAHEAD's equipment is cleaned and sanitized with only hospital grade cleaners and disinfectants to provide the highest sanitary equipment for New York special events. If desired, CALLAHEAD also offers the option of our CALLAHEAD professional uniformed restroom attendant to keep the **MOUNT VERNON** Luxury Restroom Trailer in perfect condition throughout your entire event. The **MOUNT VERNON** was designed using only the highest quality materials. Charles W. Howard has been building and designing restrooms since he was a young boy in 1976. His goal has and always will be, to design perfection and luxury to create the world's best portable restroom facilities. The **MOUNT VERNON** epitomizes the fact that a human necessity can be just as opulent and luxurious as restrooms inside some of the world's most magnificent estate homes.
