The **WANTAGH** delivers 9-restroom stations with separate women's and men's facilities. Thermostat heat and air conditioning, private stalls, urinals, and vanity sinks operate just like a restroom inside a building connected to a domestic sewer line. The **WANTAGH Restroom Trailer** is not only for construction, it is for any long-term rental location.

This is an extra-large restroom trailer with outdoor lighting and a crisp white exterior design. The separate women's and men's restrooms have wide floating staircase entries each with stainless steel handrails. The self-closing entry doors include CALLAHEAD's signature signage representing the very best in restroom trailers. The women's restroom inside the **WANTAGH** includes four private bathroom stalls with a porcelain flush toilet bowl, double toilet paper holder and a locking system. The stall doors trigger an exterior occupancy sign for ensured privacy. The men's side has two private stalls with all the same features as the women's stalls. All of the toilet bowls have an easy pedal flush for hands-free operation. The men's restroom also includes three Sloan porcelain waterless urinals with privacy dividers. Ceiling vents throughout the **WANTAGH** are available when you want additional ventilation.

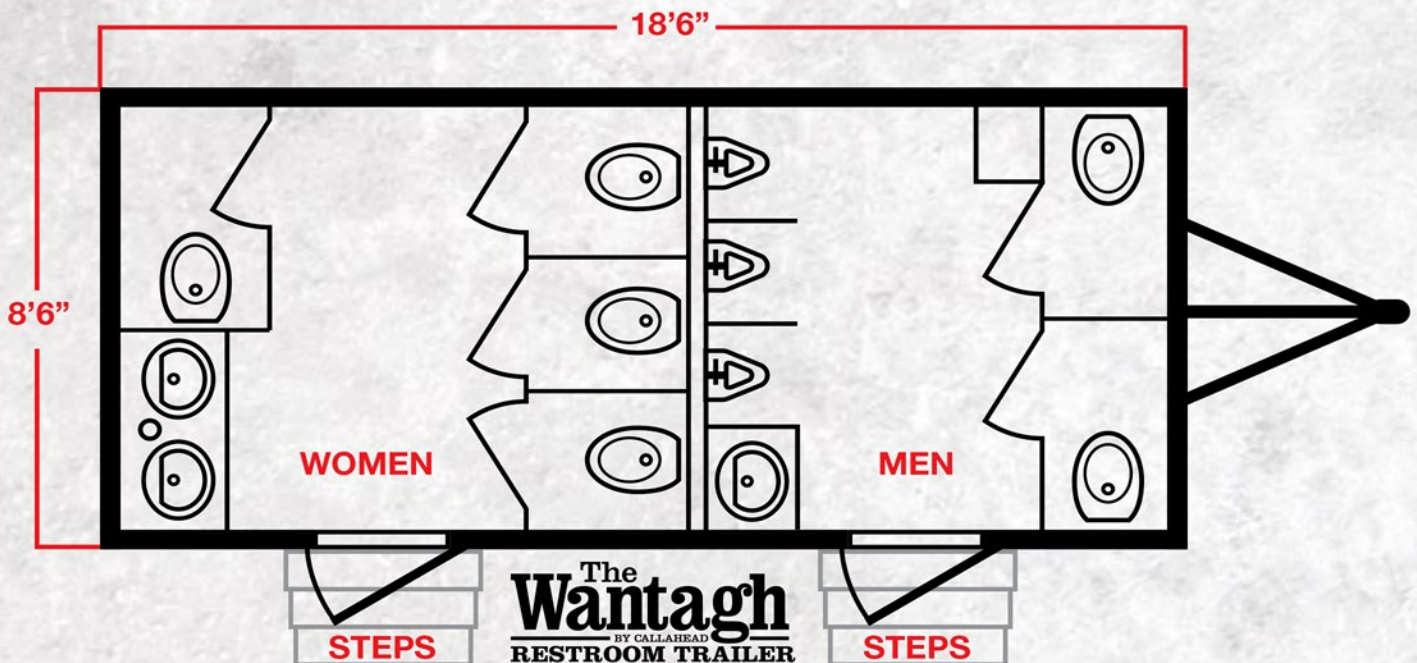

The women's restroom has a vanity area with Corian countertops and two stainless steel sink basins. The men's side also has a full vanity sink area. The sinks all have Moen auto shut-off faucets with hot and cold water. Both vanity areas have wall mounted soap and hand towel dispensers conveniently located. We also have full mirrors over the sinks, and storage for supplies beneath the sinks. The vanity has a built-in trash receptacle to keep the restroom clean. The **WANTAGH Restroom Trailer** operates just like any restroom connected to a domestic sewer line while remaining completely mobile. The rubberized commercial grade floor of the **WANTAGH Restroom Trailer** will handle heavy traffic at the jobsite.

LED ceiling lights extend all throughout the restroom for plenty of light. The Dometic thermostat heat and air conditioning system delivers a comfortable trip to the restroom any time of year.
