EUROHEAD

BY CALLAHEAD

The **EUROHEAD** is CALLAHEAD's New York short-term portable restroom rental to accommodate any social event. The **EUROHEAD** is a German made porta potty that will deliver clean and sanitary restroom facilities when you need it. With its distinct European design and CALLAHEAD's artistic signage that was created especially for the **EUROHEAD**, it also brings a European flair to any setting. This is a standard size portable restroom equipped with a full-size toilet seat, separate urinal, and dual covered toilet paper dispenser. Because this porta potty is a CALLAHEAD brand, guests will appreciate that you have provided them with the world's best portable restroom facilities.

Whether your gathering is a large catered event or an intimate social gathering, the **EUROHEAD** will supply guests with privacy and comfort. The **EUROHEAD**'s spring loaded door locks from the inside and activates the exterior occupancy sign so every user feels confident of a private trip to the restroom. The **EUROHEAD** has a very spacious interior along with an exterior that is sure to add style to any setting. The exterior CALLAHEAD signage elegantly displays images of "Water Lilies" by Claude Monet and "Starry Night" by Vincent Van Gogh. Only CALLAHEAD turns a human necessity into works of art. It is just another way CALLAHEAD delivers the highest value to our customers.

The EUROHEAD portable toilet has smooth and durable polyethylene surfaces that wipe easily clean and won't absorb odors. The well-ventilated interior also eliminates any odors from previous users. A combination floor and molded-in wall vents promote a continuous air flow inside the restroom.

The well-appointed toilet seat is at the furthest point from the urinal. The urinal drains down the vent pipe to eliminate any odors from remaining inside the porta potty. These unique features ensure a pleasant trip to the portable restroom for every guest.

No matter if your event is a fancy celebration or an informal family reunion, the EUROHEAD will bring international panache to your venue. CALLAHEAD offers additional amenity options to compliment any EUROHEAD rental such as, our HEADLINER toilet seat covers, HEADMIST automatic air fresher, and our ANTISEPTIC dispenser.

We also have the option of a CALLAHEAD uniformed restroom attendant to keep your portable toilet in brand new condition throughout your entire event. A CALLAHEAD sales specialist will assist with any additional amenities or requests to ensure you receive the perfect equipment for your event.
