CALLAHEAD is New York's most trusted portable restroom company to provide any long-term location with the cleanest and most sanitary portable restroom facilities available anywhere. Whether a construction site, emergency, business, or anywhere portable restrooms are required, CALLAHEAD has the largest selection to accommodate any restroom need. CALLAHEAD's **BLUE STEEL Restroom Trailer** delivers 3-restroom stations and two handwashing sinks with a homelike operation and design. Thermostat heat and air conditioning will provide comfort in the middle of New York's hot summer days as well as the freezing winter months.

The **BLUE STEEL Restroom Trailer** offers separate women's and men's restrooms for guaranteed user comfort. This is the perfect restroom trailer when you need more than one restroom, and handwashing vanity sinks for sanitary protection. Providing handwashing capabilities has never been more important to prevent the spread of germs and serious illnesses such as COVID-19, SARS, H1N1, dysentery, cholera, typhoid fever, the flu, and the common cold. The **BLUE STEEL** functions like restrooms connected to a domestic sewer line while being completely mobile. Flushing toilets and handwashing sinks with hot and cold water that look and operate like a home restroom. Users will appreciate a CALLAHEAD restroom trailer on-site for the best sanitary conditions with CALLAHEAD's hospital grade cleaning and disinfecting services available.

The exterior of the **BLUE STEEL** is a crisp, bright white color with outdoor lighting for evening use. Each restroom has a wide floating steel staircase with aluminum handrails to enter and exit the two restrooms. Both restroom's entry doors lock from the inside and trigger an exterior occupancy sign for assured privacy. The restrooms are each gender marked and include CALLAHEAD's signature signage representing the

very best restroom trailers.

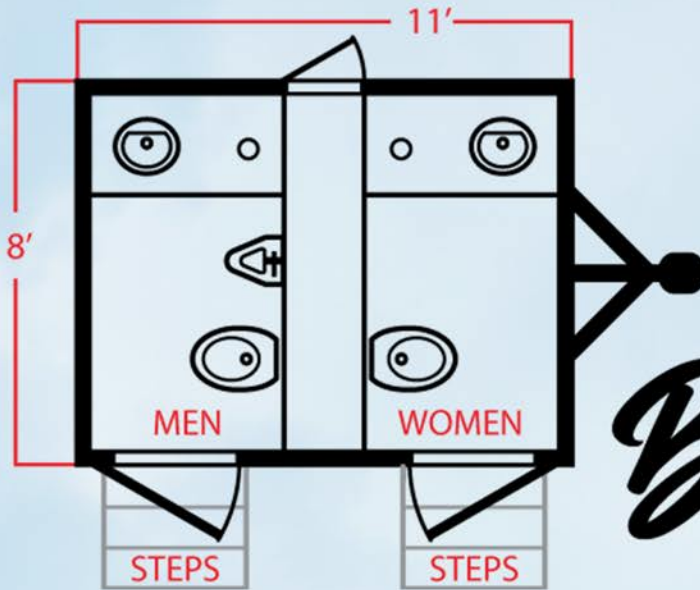

The women's side has an extra-large private restroom. The high gloss gray painted walls have white trim work throughout giving users the comfort and design of a home bathroom. The porcelain pedal flush toilet operates like a toilet bowl connected to a domestic sewer line. A double toilet paper holder is wall mounted by the toilet seat. The vanity sink has a corian granite countertop with a porcelain sink basin. A single lever chrome faucet will provide hot and cold water options. Above the sink is stainless wall mounted soap and hand towel dispensers. A built-in trash receptacle is located in the vanity's countertop. Above the sink is a large vanity mirror. There is also a storage cabinet beneath the sink for supplies.

The men's restroom has all the same amenities and designs as seen in the women's restroom. The men's very spacious interior includes a porcelain flush toilet bowl, a vanity sink area with all the amenities in addition to a Sloan porcelain waterless urinal. The **BLUE STEEL Restroom Trailer** has faux wood Armstrong flooring throughout both restrooms to add warmth to the restrooms setting.

The **BLUE STEEL Restroom Trailer** has Dometic thermostat heat and air conditioning in addition to toe-kick heaters in both restrooms. LED high-hat ceiling lighting delivers plenty of light inside the restroom. Electricity for the **BLUE STEEL** operates from a generator or standard 110-volt outlet. The **BLUE STEEL Restroom Trailer** offers comfortable and sanitation along with CALLAHEAD's hospital grade cleaning service to deliver the best portable restroom trailer experience to every long-term location required restroom trailer.
