**The Restroom Station** is an excellent choice of bathroom facilities. Whether you're having a black tie event, a back yard barbeque, or running a job-site, **The Restroom Station** can be delivered fast, set-up even quicker and be rented for all long term and short term jobs. Depending on use, **The Restroom Station** can be serviced weekly, daily, hourly or on call. Delivered completely loaded and ready for use, **The Restroom Station** requires a 110 volt electric hook-up and a fresh water hose hook-up supplied by the customer. If either the electric hook-up or water hook-up are not available due to placement, **CALLAHEAD** can supply both the electric and water hook-up with a generator and two 300 gallon fresh water tanks, all of which are hooked-up directly behind **The Restroom Station**. **The Restroom Station** appears exactly as it does in the brochure and is one of the most beautiful well appointed public bathroom facilities available. **CALLAHEAD** believes bathroom facilities are a necessity and therefore, the simpler and more reliable we try to keep things, the happier our customers are. Whether it's for an event or a long term rental, call **CALLAHEAD** today. We will solve all your bathroom requirements as easily, as fast and affordable as possible.
