SAFETY HEAD TRAILER

The **SAFETY HEAD TRAILER** is CALLAHEAD's SAFETY HEAD portable toilet combined with our specially engineered trailer in one convenient rental. The **SAFETY HEAD TRAILER** was designed by CALLAHEAD to bring maximum value to your construction job. When you rent the **SAFETY HEAD TRAILER**, you receive the utmost sanitary portable toilet, CALLAHEAD's hospital grade weekly cleaning service, convenient transportation of your portable toilet plus the added feature of assisting with job site safety. This portable toilet's bright orange coloring is designed with yellow, white and red safety reflectors to add and blend with construction site safety equipment.

CALLAHEAD's **SAFETY HEAD TRAILER** is the preferred porta potty rental for road, highway, tunnel and bridge construction jobs to follow moving construction crews. This is also the ideal portable toilet rental for any location that limits access to flatbed and tank trucks necessary for delivery and weekly cleaning service of portable toilet equipment. The **SAFETY HEAD TRAILER** is the perfect solution since it attaches to any small vehicle with a hitch. Even vehicles as small as a golf cart or garden tractor. This will make transportation from pick-up and delivery to weekly cleaning services stress-free.

The **SAFETY HEAD TRAILER** is an extremely durable portable toilet constructed of high-density polyethylene. The extra-large interior has a full-size comfortable toilet seat and dual covered toilet paper dispenser. A Separate non-splash urinal is ideally located at the furthest point away from the toilet seat. The porta potty's interior has smooth surfaces, won't absorb odors and wipes easily clean.

For user privacy, the **SAFETY HEAD TRAILER** has an interior door lock that triggers an exterior occupancy sign. The coat and hat hook is also available to hang a jacket or tool belt. The portable restroom's chimney stack and molded floor and ceiling wall vents provide the perfect air flow to release any odor causing issues. A bright white translucent roof will deliver plenty of natural of light inside the restroom.

This is the perfect portable toilet rental for any major highway construction job because it can conveniently follow workers on the job site saving valuable work time. The **SAFETY HEAD TRAILER** quickly lowers the porta potty to ground level for stable and easy access for construction workers once you get to your next location. When you ready for your job site to move again, just crank the **SAFETY HEAD TRAILER** to transport the porta potty to your new job site location. Even more conveniently, the **SAFETY HEAD TRAILER** transports just as easily when it is full. Another high-security area the **SAFETY HEAD TRAILER** is a perfect choice is any New York airport. Again, providing a mobile portable toilet rental with CALLAHEAD's specialty security design to stand out when and where you need it most.

As with every CALLAHEAD portable restroom, we deliver the greatest value with every rental. In addition to all the convenience and features the **SAFETY HEAD TRAILER** offers it also includes CALLAHEAD's best in the industry weekly cleaning service. A CALLAHEAD professional uniformed service technician will clean the **SAFETY HEAD TRAILER** with only hospital grade cleaners and disinfectants at every weekly service. CALLAHEAD's sign in sheet is installed which our service technician will sign and date at each service. This invaluable portable toilet rental delivers safety, mobility and the world's greatest portable toilet equipment and service all in one rental.

The **SAFETY HEAD TRAILER** is available for same-day delivery to New York City's five boroughs of Manhattan, Brooklyn, Queens, Bronx and Staten Island, Westchester County and all of Long Island's Nassau and Suffolk Counties.

You can never have too much safety equipment at the job site, which is why CALLAHEAD has created the **SAFETY HEAD TRAILER** to our extensive list of portable restroom options. We believe in only providing the highest value and stress-free equipment to every one of our customers. Since 1976 CALLAHEAD has never stopped innovating the world's best portable sanitation equipment for New York, and we never will.

THE SAFETY HEAD TRAILER OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items with your **SAFETY HEAD TRAILER** rental. All of CALLAHEAD's rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. CALLAHEAD's portable restroom accessory items are unmatched in the portable toilet industry and include:

Antiseptic Dispenser installed inside your **SAFETY HEAD TRAILER** filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection before and after using a porta potty. The antiseptic dispenser supplies approximately 900 - 1300 applications and is 100% maintained and refilled when needed by CALLAHEAD with its rental • GoJo Hand Cleaning Dispenser installed inside the **SAFETY HEAD TRAILER** and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to quickly break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental • **Paper Towel Dispenser** can be installed inside your **SAFETY HEAD TRAILER** rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental • **Headliner Toilet Seat Cover Dispenser** can be installed inside the **SAFETY HEAD TRAILER** filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Refilled when needed and 100% maintained by CALLAHEAD • **Headmist Time Released Air Freshener** installed inside the **SAFETY HEAD TRAILER** that will release a fresh, clean scent automatically, refilled when needed, and 100% maintained by CALLAHEAD

The following is the detailed design specifications for the **SAFETY HEAD TRAILER** rental. If you have any additional questions regarding design specifications, please contact us at 1-800-634-2085 to speak with a CALLAHEAD portable toilet specialist.
