

FALCON PT 16

by CALLAHEAD

CALLAHEAD has been in business since 1976. We are the most trusted portable toilet company in New York offering the largest variety of products to serve every portable sanitation need. The **FALCON PT 16** porta-potty rental is another addition to the CALLAHEAD brand with commercial locations in mind. When it comes to building construction and commercial sites, CALLAHEAD has the experience and commitment to deliver the very best. We take pride in supplying portable toilets and other portable sanitation equipment customized to suit every location. Our **FALCON PT 16** is an excellent addition to our already vast variety of equipment for New York commercial sites. The **FALCON PT 16** portable toilet rental will deliver clean and durable bathroom facilities. Plus, the blue and gray coloring of the **FALCON PT 16** looks great on commercial sites. **FALCON PT 16** portable toilet is constructed of high-density polyethylene for strength. The CALLAHEAD signature signage on the exterior epitomizes the very best in portable restroom facilities. Heavy duty construction sites, such as New York skyscraper and building construction jobs will benefit from the **FALCON PT 16**. From CALLAHEAD's unsurpassed included weekly cleaning service to the highest standard equipment in the industry, construction crews will appreciate the CALLAHEAD brand on the job site.

Once you open the spring-loaded door, you can see this is a portable toilet has a very spacious interior. The door locks from the inside that will trigger an exterior occupancy sign for every user's privacy. The interior of the **FALCON PT 16** is extremely spacious with a full sized comfortable toilet seat. A filled, covered dual toilet paper dispenser is conveniently located near the toilet seat. An extra-large open cavity 70-gallon holding tank will provide substantial bathroom use. The separate non-splash urinal is located at the furthest point from the toilet seat, something every user will appreciate. The urinal is also connected to a vent pipe that will prevent odors from lingering inside the portable toilet. A coat and hat hook on the interior of the **FALCON PT 16** will provide construction workers a convenient place to hang their coat or tool belt. Additionally, the smooth steel gray interior wipes easily clean and will never absorb odors.

Our CALLAHEAD team is here to ensure New York businesses and residences receive the best experience possible with every rental. From

portable toilets, restroom trailers, office trailer systems, portable sinks, security guard booths, portable showers and much more. Only CALLAHEAD has the variety, service, and dedication in supplying the greatest portable sanitation rental experience for you.

OPTIONAL ACCESSORIES TO RENT

For added convenience, we are proud to offer the below list of optional accessory items with your **FALCON PT 16** porta-john rental. All of CALLAHEAD's rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. CALLAHEAD's portable restroom accessory items are unmatched in the portable toilet industry and include:

Antiseptic Dispenser can be installed inside your **FALCON PT 16** port-a-san filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection before and after using a porta potty. The antiseptic dispenser supplies approximately 900 - 1300 applications and is 100% maintained and refilled when needed by CALLAHEAD with its rental • GoJo Hand Cleaning Dispenser can be installed inside the **FALCON PT 16** porta-john and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to quickly break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental • Paper Towel Dispenser can be installed inside your **FALCON PT 16** port a potty rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean

off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental • Headliner Toilet Seat Cover Dispenser can be installed inside the **FALCON PT 16** porta-potty filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Headliners are refilled when needed and 100% maintained by CALLAHEAD when rented • Headmist Time Released Air Freshener can be installed inside the **FALCON PT 16** port a john that will release a fresh clean scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental • Containment Tray is highly recommended to accompany every portable toilet rental to assist in meeting local, state, and federal run-off regulations. Any fluids that may leak from the porta potty will conveniently drain towards the rear of the tray to a pump out location for our uniformed service technician to remove when servicing the portable toilet.
