

CALLAHEAD'S WASHROOM PORTABLE RESTROOM

CALLAHEAD's WASHROOM is a long-term portable toilet rental perfect for any construction job. The WASHROOM is a full-size portable restroom with CALLAHEAD brand hospital-grade cleanliness delivered to any long-term rental need. CALLAHEAD has the largest selection of portable toilets to accommodate any situation. The WASHROOM Portable Restroom is a CALLAHEAD brand promising to deliver the cleanest bathroom facilities for construction and any location needing long term portable restrooms. CALLAHEAD offers same-day delivery and weekly cleaning service included with every WASHROOM Portable Restroom rental. CALLAHEAD professional service technicians clean and sanitize with only hospital-grade cleaners and disinfectants for the utmost sanitary conditions for your hygienic protection. CALLAHEAD has been serving New York and only New York since 1976. We are a New York company with over 260 employees, serving only New York to guarantee our quality in equipment and service is always the greatest in the industry.

The WASHROOM's sturdy polyethylene can handle any construction job. The white exterior design exudes cleanliness. The CALLAHEAD specialty-designed signage on the exterior represents the best in portable restrooms. A comfortable, roomy interior and high-flow molded-in vent screens allow continuous airflow to reduce odor from previous users. The interior provides a convenient coat and hat hook, corner shelf, mirror, and a gender friendly hover handle. The toilet seat is separate from the urinal for a cleaner and dry toilet seat. The back corner vent stack efficiently vents odor from the highest point of the tank and creates a roomier feel.

The WASHROOM Portable Restroom is a CALLAHEAD brand which means you are renting the cleanest and most sanitary portable toilets in the industry. Health and sanitation have never been more important than it is today. Renting a portable restroom means you must trust the company for the clean and sanitary conditions. CALLAHEAD's world-renowned weekly cleaning service is included with every long-term WASHROOM Portable Restroom rental. CALLAHEAD cleans and disinfects all our equipment with only hospital-grade cleaners and disinfectants. Our professional uniformed service technicians use hospital-grade cleaners and disinfectants that kill 99.9% of germs and bacteria, including the COVID-19, Coronavirus, H1N1, SARS, E. Coli, the common cold, flu, and other life-threatening viruses, germs, and bacteria. CALLAHEAD is a New York company serving only New York. Our team of over 260 employed New Yorkers will deliver the greatest portable restroom service anywhere. With over 130 vehicles daily throughout New York City's five boroughs and all of Westchester, Nassau, and Suffolk Counties, you have confidence in receiving prompt, reliable service no other portable restroom company can provide.

The WASHROOM's spring-loaded door locks on the inside and triggers an exterior occupancy sign for privacy. Inside is an extremely spacious interior with a full-sized comfortable toilet seat. The covered double toilet paper dispenser is conveniently located near the toilet seat and filled with CALLAHEAD brand toilet paper. An extra-large 68-gallon holding tank will provide substantial bathroom use. A separate non-splash urinal is located at the furthest point from the toilet seat. The urinal is also connected to a vent pipe to prevent odors from lingering inside the portable toilet. There is a coat and hat hook on the interior of the WASHROOM Portable Restroom to hang a jacket, tool belt, or other items. The convenience shelf is also provided to place personal items. On the interior door are a small mirror and a hover handle. The smooth interior wipes easily clean and will not absorb odors.

The WASHROOM has a chimney stack and molded-in vent screens to provide excellent airflow and release any odors from previous users. In addition, the bright white translucent roof of the WASHROOM Portable Restroom delivers bright natural light inside even when the door is closed. The WASHROOM is a long-term portable toilet rental for any institution or long-term rental location. A CALLAHEAD uniformed delivery specialist will deliver the WASHROOM and place it in your chosen area. In addition, CALLAHEAD's weekly cleaning service by a professionally trained uniformed service technician is included with every long-term rental. At each cleaning service, a CALLAHEAD service technician will arrive in one of CALLAHEAD's shiny signature tank trucks to clean and sanitize the WASHROOM with only hospital-grade cleaners and disinfectants and re-stock toilet paper supplies. The uniformed service technician will also sign and date the CALLAHEAD sign-in sheet installed inside every WASHROOM Portable Restroom, so you will always know who and when your rental was serviced. CALLAHEAD is always accountable for ensuring our customers always have the cleanest portable toilets in the field for the health and safety of the public.

The WASHROOM Portable Restroom is available for same-day delivery. CALLAHEAD serves all of New York City's five boroughs of Manhattan, Brooklyn, Queens, the Bronx, Staten Island, Westchester County, and all Nassau and Suffolk Counties Long Island. Because we only serve New York and do not extend outside our service areas, you will never have to compromise on service and risk unsanitary conditions. CALLAHEAD has over 260 employees with over 130 trucks throughout our service locations to ensure you have the best sanitary conditions and on-demand service exactly when and where you need it.

THE WASHROOM PORTABLE RESTROOM OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items with your WASHROOM Portable Restroom rental. All of CALLAHEAD's rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. CALLAHEAD's portable restroom accessory items are unmatched in the portable toilet industry and include:

Antiseptic Dispenser can be installed inside your WASHROOM Portable Restroom filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection before and after using a porta potty. The antiseptic dispenser supplies approximately 900 – 1300 applications and is 100% maintained and refilled when needed by CALLAHEAD with its rental • GoJo Hand Cleaning Dispenser can be installed inside the WASHROOM and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to quickly break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental • Paper Towel Dispenser can be installed inside your WASHROOM Portable Restroom rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental • Headliner Toilet Seat Cover Dispenser can be installed inside the WASHROOM Portable Restroom filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Headliners are refilled when needed and 100% maintained by CALLAHEAD when rented • Headmist Time Released Air Freshener can be installed inside the WASHROOM Portable Restroom that will release a fresh clean scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental • Containment Tray is highly recommended to accompany every portable restroom rental to assist in meeting local, state, and federal run-off regulations. Any fluids that may leak from the portable restroom will conveniently drain towards the rear of the tray to a pump out location for our uniformed service technician to remove when servicing the portable toilet.
