

## CAH A25 LOCKER ROOM

CALLAHEAD Corporation is a New York family-owned business serving only New York since 1976. CALLAHEAD is the leader in our field due to our high-quality equipment and service for our customers. The CAH A25 LOCKER ROOM is a CALLAHEAD design, manufactured by CALLAHEAD and unavailable anywhere else. The award-winning builder and designer Charles W. Howard, President and CEO of CALLAHEAD designed the CAH A25 LOCKER ROOM. The CAH A25 LOCKER ROOM is like nothing ever designed before that will add architecture and value to any location. The CAH A25 is constructed of premium quality materials and constructed of marine-grade products for superior strength. The comfortable and spacious interior includes four individual full-length lockers, cushion bench seating, a full-length mirror, and coat and hat hooks, all within a climate-controlled room. The CAH A25 LOCKER ROOM can be delivered anywhere and is the perfect rental for any location needing locker facilities. Emergency locations, sports fields, construction sites, country clubs, and medical pop-up facilities are just a sample of sites the CAH A25 LOCKER ROOM is commonly rented.

CALLAHEAD's CAH A25 LOCKER ROOM is offered in many color options adding even more value to its rental. With the CAH A25 LOCKER ROOM, clients can select the best color choice for their location. Daily construction crews work with dangerous chemicals and materials. The CAH A25 LOCKER ROOM will provide construction crews with lockers on site to safely secure personal property and remove work clothes contaminated with hazardous materials. In addition, medical staff at pop-up hospitals and firefighters at emergency fire locations would greatly benefit from the CAH A25 LOCKER ROOM to change out of contaminated clothing from sick and injured patients and smoke and chemicals from fire sites and rescues. An example of coloring, CALLAHEAD recommends a white CAH A25 LOCKER ROOM for medical sites, while a red A25 is an ideal selection for fire crews.

The CAH A25 LOCKER ROOM was built using only premium heavy-duty materials and will look spectacular in any location. The steel commercial fireproof door is durable for any job site. The door includes a key lock entry and an internal locking system for privacy. CALLAHEAD New York specialty-designed signage represents the absolute best in the field. The CAH A25 LOCKER ROOM is constructed of high-density polyethylene marine-grade plastic. Marine grade diamond plate aluminum and built-in marine grade stainless steel fasteners with durability and quality, you can see. CAH A25 LOCKER ROOM is available in white, blue, red, gray, brown, yellow, green, dolphin gray, steel blue, and orange. Renting the CAH A25 LOCKER ROOM matching the location will make it seem like the locker room was manufactured especially for you.

Just as CALLAHEAD recommends a white CAH A25 LOCKER ROOM for medical sites, CALLAHEAD recommends an orange A25 for construction to match construction safety equipment. Blue is the perfect selection for pools, beaches, and policed locations. As for parks, and residential locations, green may be the ideal choice. CALLAHEAD hasn't forgotten about gas stations and mechanic shops where a brown CAH A25 LOCKER ROOM would blend in perfectly. Depending on the setting, green or brown may be the perfect choice for military sites. Schools and universities can also select a CAH A25 LOCKER ROOM representing their team colors. Choosing the perfect color and the CAH A25's polished aluminum finish will look incredible. The CAH A25 LOCKER ROOM's ornamental design of various metals with diamond plates makes the CAH A25 LOCKER ROOM stand out like nothing ever designed.

CAH A25 LOCKER ROOM's interior is just as impressive as the exterior. Inside includes four full-length individual standing lockers. Each locker is 5' 6" tall and has a shelf, coat, and hat hook. The locker can be secured with a padlock to store personal items for peace of mind safely. The common area inside the CAH A25 includes bench seating with a vinyl cushion top for comfort and durability. Four coat and hat hooks are available to hang additional personal items. A full-length mirror is wall mounted. There is also a four-way electrical outlet to plug in a cell phone or other electrical equipment. A pull chain light fixture will provide plenty of light inside the CAH A25. The interior walls match the locker room's exterior color. Faux wood Armstrong flooring brings a homelike style to the interior design. A Stelpro 1500 Watt fan forced wall heater will keep the inside nice and warm during New York's colder winter months. A 13,000 BTU Dometic overhead A/C unit will provide comfort throughout the hot summer months.

CALLAHEAD's CAH A25 LOCKER ROOM is for any location needing locker facilities. TV and movie sets, marathons, concert venues, outdoor gyms, golf courses, tennis courts, and hockey and ice skating rinks are just a small sample of where the CAH A25 LOCKER ROOM will benefit. The CAH A25 LOCKER ROOM provides safe storage facilities for athletes to change comfortably into clean, dry clothing after a game, practice, or race. Bridge, sewer, and tunnel construction workers can remove contaminated clothing before getting into their vehicles to drive home to their families after a hard day at the job site. Painting contractors will also appreciate the CAH A25 LOCKER ROOM to remove clothing after working with dangerous paints and solvents.

CALLAHEAD's CAH A25 LOCKER ROOM will be delivered and placed in your chosen location. The CAH A25 LOCKER ROOM is not like any locker in the field. The CAH A25 is architecturally designed to look fantastic and add value to any property. Charles W. Howard created the CAH A25 LOCKER ROOM series to look like it was built just for the location. As an added convenience with just one phone call, CALLAHEAD's CAH A25 LOCKER ROOM can be easily relocated from job site to job site to follow construction and contracting crews when necessary.

The CAH A25 LOCKER ROOM is a CALLAHEAD manufactured design and is unavailable anywhere else. CALLAHEAD is the only company in the field using the highest quality materials to supply our New York clients with the highest value with every CALLAHEAD rental. The CAH A25 LOCKER ROOM is available throughout New York City's five boroughs of Brooklyn, Queens, Staten Island, Manhattan, and the Bronx, as well as all of Westchester, Nassau, and Suffolk Counties to Montauk Point. As with all of CALLAHEAD's equipment, the CAH A25 LOCKER ROOM will be delivered to your location by a CALLAHEAD professional delivery specialist. A CALLAHEAD uniformed delivery specialist will arrive at the site in one of CALLAHEAD's signature delivery vehicles and position the CAH A25 LOCKER ROOM in your desired location.

## CAH A25 LOCKER ROOM OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items to your CAH A25 LOCKER ROOM. All of CALLAHEAD's rental accessories were selected to provide comfort, security and the utmost sanitary conditions. CALLAHEAD's accessory items are unmatched in the portable sanitation industry and include:

Antiseptic Dispenser installed inside the CAH A25 LOCKER ROOM filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection for yourself and those you come in contact with. The antiseptic dispenser supplies approximately 900 – 1300 uses. It is 100% maintained and refilled when needed by CALLAHEAD with its rental • GoJo Hand Cleaning Dispenser installed inside the CAH A25 LOCKER ROOM and filled with the #1 heavy-duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to easily break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental • Paper Towel Dispenser installed inside the CAH A25 rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental • Headmist Time Released Air Freshener installed inside the CAH A25 LOCKER ROOM that will release a fresh clean scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental.
