

## PORTASHED 25

CALLAHEAD works consistently to perfect and enhance all of its creations and ideas. Once again this proves to be true with CALLAHEAD's introduction to The Portashed 25. The Portashed 25 is part of CALLAHEAD's Portashed Series, which provides mobile and compact, portable storage units in various sizes, accommodating any and all of your portable storage needs. The Portashed 25 is CALLAHEAD's midsized edition to the Portashed Series. The Portashed 25 is produced from only the highest quality products with strong & durable construction built to last a lifetime.

The Portashed 25 is topped with a single mold fiberglass roof creating an entirely weather tight shed. Complete with heat, lights & electric, The Portashed 25 exceeds any and all expectations required of a utility storage unit. Its all gel-coat fiberglass & aluminum surfaces make for easy cleaning with absolutely no corrosion, and its bright white color gives off a spacious, clean feeling.

The Portashed 25 keeps your expensive tools and equipment closest to where you need them, while keeping them perfectly stored & secured. The Portashed 25 comes fully equipped with a commercial steel fireproof door & a 5-point CALLAHEAD locking system, offering maximum protection for your valuable assets. Being one of the only companies in the industry offering same day delivery, CALLAHEAD gives our customers the ability to take advantage of our always fast & efficient services.
