

## CALLAHEAD'S VALET 25 KEY BOOTH

Valet parking services offered by establishments and businesses are understandably on the rise and growing in popularity. Safety, convenience, increased business, and positive first impressions are just a few reasons why valet parking is beneficial and becoming a necessity. The newly designed VALET KEY BOOTH 25 is a Charles W. Howard innovation for CALLAHEAD and the ideal choice to make the best impression on every valet parking location. Mr. Howard is an award-winning designer, builder, and CALLAHEAD's President and CEO. The VALET KEY BOOTH 25 is by far the greatest valet parking booth ever designed, manufactured by CALLAHEAD, and unavailable anywhere else. CALLAHEAD's VALET KEY BOOTH 25 is an artistic old-world design for valet parking attendants. Available in twelve color designs that will stand out and add value to any location. The VALET KEY BOOTH 25 is a must have for restaurants, nightclubs, and businesses with valet parking attendants. Some of the impressive designs and built in interior features include thermostat heat and air conditioning, shelving, custom key box, safe, lighting, electrical outlet, and a roomy interior to keep valet crews organized and comfortable during every tour of duty all year round.

Valet parking has become a necessity to help elevate any business. Valet parking services will maximize parking lot space to increase customer vehicles, capacity, and business revenue. Restaurants and nightclubs will benefit substantially from having valet parking services. Patrons will choose restaurants with valet parking services especially during inclement weather, evening hours, hard to park locations, unfamiliar neighborhoods, and for special occasions for their safety and convenience. Valet parking attendants on site are guaranteed to promote new customers and patrons hosting larger group events.

CALLAHEAD's VALET KEY BOOTH 25 is architecturally designed to be the most beautiful well-built valet booth ever created. The exterior design will look as though the valet booth was custom built just for the location, adding even more value. The interior of the VALET KEY BOOTH 25 has all the essentials for valet staff to operate while keeping them secure and comfortable during every New York season. Valet parking services are a necessity for catering halls, restaurants, special events, concert venues, hotels, country clubs, sports facilities, government institutions, arenas, casinos, racetracks, nightclubs, shopping malls, hospitals, corporate offices, medical buildings, spas, car dealers, movie theaters, parking garages, condominiums, private estates, golf courses, weddings, formal and black-tie events etc.

CALLAHEAD's VALET KEY BOOTH 25 surpasses anything ever created. The architectural design is impeccable with designed panels, brass or stainless moldings and trim, decorative appliques, and standing seam roof all available in a dozen color choices. Twelve color choices deliver the perfect VALET KEY BOOTH 25 for any business or property. CALLAHEAD manufactured valet booths are designed to artistically complement any location to bring a higher value.
