

A NAVY SHOWER TRAILER

Since 1976 CALLAHEAD has provided the greatest equipment and hospital grade sanitary service to New York's businesses and residents. A NAVY SHOWER TRAILER is a CALLAHEAD brand sure to impress. A NAVY SHOWER TRAILER offers three private bathrooms with all the comforts and privacy of a home restroom. A stall shower and vanity sink area with hot and cold water easily adjusted to the perfect temperature. A porcelain flush toilet and thermostat heat and air conditioning provide all the comforts of a home bathroom in remote locations. Because CALLAHEAD is a New York company, every piece of equipment on our website is available in New York and never varies by location. We are over 260 New York employees and growing daily due to our unmatched service and inventions by CALLAHEAD's President and CEO, Charles W. Howard.

A NAVY SHOWER TRAILER is a perfect solution for contractors and construction workers to wash off paints, sealants, compounds, solvents, asbestos and other dangerous chemicals. A NAVY SHOWER TRAILER is also the answer to accommodate any sporting event, beach and pool location, country club, home renovation, water shut-off, or emergency site all year round.

A NAVY SHOWER TRAILER has a bright white exterior with outdoor lighting to look clean and crisp in any location. Three separate entrances for each private bathroom have wide floating staircase entries with handrails and outdoor lighting. The self-closing entry door locks from the inside and triggers the exterior occupancy sign for privacy. Once inside, users will be impressed with the spacious interior and all the amenities for their private use. The gray high gloss walls have white trim throughout. The wide-planked, weathered grey Armstrong flooring brings warmth to the restroom setting.

A NAVY SHOWER TRAILER has everything you need to take a refreshing shower, no matter where you are or the time of year. The stall shower has a shower curtain to eliminate water spray into the rest of the restroom while offering an extra layer of privacy. The faux marble walls of the shower stall give a homelike design. The shower's single lever handle allows you to adjust the water temperature to your desired temperature. The shower head is also adjustable to provide the proper water coverage. Three wall-mounted hooks are conveniently located outside the shower stall to hang a towel, robe, and clothing. A bench seat is available for easy undressing and dressing before and after the shower.

Also inside A NAVY SHOWER TRAILER is a vanity sink area with a Corian vanity countertop and sink basin. The single-lever faucet provides hot and cold water options. A wall-mounted paper towel dispenser is located above the sink. There is a vanity mirror above the sink and storage beneath the sink for supplies. The porcelain toilet bowl has a foot lever flush for easy hands-free operation. For convenience, a double-roll toilet paper holder is located near the toilet seat.

Like any domestic restroom, A NAVY SHOWER TRAILER has hot and cold water that can be adjusted to the perfect temperature for the shower and sink. A NAVY SHOWER TRAILER is an ideal solution for disaster relief locations, fire sites, decontamination jobs, schools and universities, marathons, movie and film shoots, bridge and tunnel jobs, special events or any location in need of long-term or short-term showers. Thermostat heat and air conditioning will provide necessary year-round comfort. 22,000 BTU Propane Dometic Furnace ensure warmth during New York's winter months. A Dometic 13,000 BTU air conditioning unit guarantees comfort throughout the hot summer season. A ceiling vent is available to eliminate steam, odors, and moisture inside the shower trailer.

A NAVY SHOWER TRAILER operates connected to a simple garden hose for fresh water. If no water hook-up is available, CALLAHEAD's WaterShed 25 or WaterShed 16 can also supply fresh non-potable water to any remote location. A separate waste water tank collects all the grey water. CALLAHEAD's A NAVY SHOWER TRAILER powers off a 110-Volt outlet or generator for convenience.

CALLAHEAD delivers the world's best portable sanitation equipment and service whenever and wherever you need it throughout New York. A NAVY SHOWER TRAILER is available for delivery in New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island, the Bronx, and all of Westchester, Nassau, and Suffolk Counties to Montauk Point. Since 1976 CALLAHEAD has been the leader in supplying portable sanitation equipment to New Yorkers.

A CALLAHEAD professional uniformed delivery specialist will set up A NAVY SHOWER TRAILER in approximately 30 minutes in the location you select. Pump out and cleaning services are available upon request. A professional CALLAHEAD uniformed service technician will pump out the grey water and clean and sanitize A NAVY SHOWER TRAILER using only hospital grade cleaners and disinfectants. Fresh water delivery is also available when utilizing CALLAHEAD's Watershed's with A NAVY SHOWER TRAILER.

A NAVY SHOWER TRAILER OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items with A NAVY SHOWER TRAILER. All of CALLAHEAD's rental accessories were selected to deliver the same comforts and hygienic protection of a home bathroom. CALLAHEAD's portable restroom accessory items are unparalleled in the portable toilet industry and include:

Antiseptic Dispenser installed inside A NAVY SHOWER TRAILER filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements for sanitary protection. The antiseptic dispenser supplies approximately 900 – 1300 applications • GoJo Hand Cleaning Dispenser is installed in A NAVY SHOWER TRAILER and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to break down grease and grime easily. GoJo Hand Cleaner has become widely popular with construction workers and contractors to remove acids, cement and other solvents from hands. • Headmist Time Released Air Freshener installed inside A NAVY SHOWER TRAILER to release a fresh, clean scent automatically.
