## A WHITE TOILET

CALLAHEAD proudly presents "A WHITE TOILET" for your long term construction and contracting jobsites. Our WHITE TOILET is an affordable standard porta potty rental that not only provides clean and sanitary portable toilet facilities at the job site, but you will feel the sanitary cleanliness when you step inside the port a potty. CALLAHEAD cleans all of our portable toilets and equipment with hospital grade disinfectant and all port a potties are detailed at every cleaning. This is why we have the confidence and ability to supply A WHITE TOILET to our customers. When CALLAHEAD Corporation entered into the portable sanitation business back in 1977, Port O San was the leader in the industry. They provided their customers a white portable toilet. Those white porta potties looked prominent and immaculate on New York's construction jobsites. CALLAHEAD is bringing back that pristine white look of cleanliness that provides users the confidence that they are using the most sanitary portable toilet available. When you see something white you think clean and crisp and there is absolutely no way to hide the dirt. A WHITE TOILET from CALLAHEAD will give your construction job site that porcelain white look of clean that both the public and employees will appreciate. This is a standard portable toilet to rent for long term jobs that has cambered dual panel sidewalls for increased strength. The interior has a full sized toilet seat and separate non splash urinal to help keep the unit cleaner. A covered dual toilet paper holder, coat and hat hook and mirror are also included in the port a potty's interior. Six large integrated vents will provide excellent ventilation to eliminate odor causing issues. The smooth polyethylene surface won't absorb any foul odors and easily wipes clean for sanitary protection. The portable toilets door locks from the inside that will trigger the occupancy sign for assured privacy. This port a potty has an extra large interior so users carrying heavy tools or wearing bulky clothing can maneuver easily inside this full sized portable toilet. The holding tank is also extra large so it can handle heavy bathroom usage on the jobsite. A white translucent roof will allow for bright natural light inside the portable toilet. A WHITE TOILET rented at your construction job site is sure to add integrity to your company and jobsite location. Imagine

the assurance your employees will have using the porcelain white portable toilet. Since CALLAHEAD details and sanitizes all of our portable sanitation equipment with hospital grade cleaning products at every service you know it's clean. The WHITE TOILET is equipped with a sign in sheet that every trained service technician must sign and date at every cleaning for added piece of mind. Only CALLAHEAD delivers quality equipment and the utmost professional service available in all of New York. CALLAHEAD offers quick same day delivery of our WHITE TOILET to all of New York City's five boroughs' of Manhattan, Bronx, Queens, Brooklyn and Staten Island including all of Westchester County and Nassau and Suffolk Counties on Long Island.

## OPTIONAL ACCESSORIES TO RENT

For added convenience, we are proud to offer the below list of optional accessory items with your WHITE TOILET porta john rental. All of CALLAHEAD's rental accessories for portable toilets were selected to give construction workers and contractors the same comforts and hygienic protection as if they were using an indoor restroom. CALLAHEAD's portable restroom accessory items are unmatched in the portable toilet industry and include:

**Antiseptic Dispenser** can be installed inside your WHITE TOILET port a san filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. Perfect for your sanitary protection before and after using the porta potty; the antiseptic dispenser supplies approximately 900 - 1300 uses and is 100% maintained and refilled when needed by CALLAHEAD with its rental • **GoJo Hand Cleaning Dispenser** can be installed inside the WHITE TOILET portajohn and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to break down grease and grime easily. GoJo Hand Cleaner has become widely popular with construction workers and contractors to remove acids, cement and other solvents from hands. 100% maintained and refilled when needed by CALLAHEAD with its rental • **Paper Towel Dispenser** can be installed inside your WHITE TOILET port a potty rental and filled with 250 sheets of double fold paper towels. The Paper Towel Dispenser is most commonly rented with the Antiseptic Dispenser or Go Jo Hand Cleaner to clean off any dirt or solvents that are otherwise hard to remove. Paper Towel Dispenser is maintained and refilled 100% by CALLAHEAD with its rental • **Headliner Toilet Seat Cover Dispenser** can be installed inside the WHITE TOILET portapotty filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. Headliners are refilled when needed and 100% maintained by CALLAHEAD when rented • **Headmist Time Released Air Freshener** can be installed inside the ECONO portajohn that will release a clean fresh scent automatically. The Headmist is refilled when needed and 100% maintained by CALLAHEAD with its rental • **Containment Tray** is highly recommended to accompany every portable toilet rental to assist in meeting local, state, and federal run-off regulations. Any fluids that may leak from the porta potty will conveniently drain towards the rear of the tray to a pump out location for our uniformed service technician to remove when servicing the portable toilet.
