

Full Service HEAD[®]

Introduced to the Portable Sanitation Industry by **CALLAHEAD**

CALLAHEAD is renowned for evolving the portable sanitation industry by consistently developing our equipment to offer our clients the most up-to-date products. Our **FULL SERVICE HEAD** exceeds the demands and expectations of today's portable toilets and is our newest addition to our long list of equipment options. An upgrade from **CALLAHEAD's** Construction Wash and Flush, the **FULL SERVICE HEAD** is the largest polyethylene portable restroom available today. This unit is a work of art with its distinctive art deco design that is sure to set your job site or special event out above the rest. The flushable stainless steel bowl is designed for easy cleaning and eliminating odors, operates by a foot activated pump for touchless flushing. The **FULL SERVICE HEAD** also has the toughest made mounting and plumbing system available on the market. Outfitted with a large 90 gallon holding tank, this unit is built to handle high volume usage and perfect for those heavy traffic job sites and events. The **FULL SERVICE HEAD** will enhance every users experience with amenities that feel closer to home. With an extra large interior, users will appreciate a greater range of motion while using this portable restroom facility. The **FULL SERVICE HEAD** has a custom fitted sink with a foot activated pump and separate water reservoir to ensure there is never contamination from grey water. Equipped with both soap and paper towel dispensers refilled and maintained by **CALLAHEAD**, the user is assured of sanitary handwashing capability. A conveniently placed custom designed wall mounted waste basket will keep paper towels and other trash out of the toilette as well as off the floor keeping your restroom cleaner and unclogged. A modern venting system creates a chimney effect pulling air through the units floor vents and the hot air is released through the ceiling vents for a virtually odor free unit. Additional amenities include a four roll toilet paper dispenser, convenience shelf, solar powered lighting and a high quality mirror making the **FULL SERVICE HEAD** the total package in portable restrooms. For comfort, convenience and complete sanitation when using a portable toilet the **FULL SERVICE HEAD** is the ideal choice for your job site or special event. **CALLAHEAD** thrives on providing our clients with nothing less than quality equipment and superior service which is why we are the greatest portable sanitation company in the country. We exceed all others in our field as we have for nearly four decades. Never settle for less when it comes to restroom comfort and quality service, **CALLAHEAD!**
