

The Aqueduct RESTROOM TRAILER

CALLAHEAD is a New York portable sanitation company serving only New York to ensure the highest sanitary conditions. CALLAHEAD's AQUEDUCT Restroom Trailer is our long-term 6-station restroom trailer cleaned and sanitized with only hospital-grade cleaning supplies. Restroom trailers are necessary for construction sites, medical facilities, transportation centers, sporting events, schools and universities, parks, bathroom renovations, concert venues, and any location without plumbing or a water main connection and require restroom facilities for the public, staff, and guests. The AQUEDUCT Restroom Trailer supplies New York locations with women's, men's, or unisex restrooms complete with private stalls, vanity sinks, urinals, and thermostat-controlled heat and air conditioning. Because CALLAHEAD has been serving only New York since 1976, you are assured of unmatched service for the highest sanitary conditions with every CALLAHEAD restroom trailer rental.

The AQUEDUCT Restroom Trailer has a bright white exterior with outdoor lighting for evening jobs. The women's and men's restrooms are gender marked on each exterior door. Wide floating steel staircase entries have aluminum handrails for safety when entering or exiting the restrooms. CALLAHEAD's signature signage is displayed on the exterior walls of the AQUEDUCT Restroom Trailer, representing the very best in restroom trailers. The AQUEDUCT is delivered filled with antibacterial soap and hand towel dispensers, and toilet paper for convenience. CALLAHEAD's professional uniformed cleaning service is the best in the industry to ensure clean and sanitary restrooms for your entire rental.

With nearly 50 years of serving New York, we are the definitive experts of the portable sanitation industry, making us world-renowned in our field. The AQUEDUCT Restroom Trailer rental is available throughout New York City's five boroughs, Westchester and Nassau and Suffolk Counties to Montauk Point on Long Island.

When you enter the AQUEDUCT Restroom Trailer, you immediately notice the spacious and sleek design. The walls are painted a high gloss white, wipes easily clean, and will not absorb any odors. White painted wood base moldings and crown moldings extend throughout the entire restroom trailer. Every stall door also includes white trim work adding to the homelike design. Armstrong faux tile floors bring a warm touch to the entire restroom.

Inside the AQUEDUCT's women's restroom are three private bathroom stalls with oversized black stall doors. Each of the three bathroom stalls has a full-size toilet bowl with a pedal flush for easy and sanitary hands-free operation. The double toilet paper holder is located conveniently near the toilet bowl. A coat and hat hook is provided on the door inside each bathroom stall with a dual locking system for assured privacy. The vanity sink area has a Corian countertop and two sinks, each with a single lever facet to provide hot and cold water options. Wall-mounted soap and hand towel dispensers are conveniently located in the sink area. The wall mounted soap dispenser is filled with antibacterial soap that kills 99.9% of germs and bacteria for a healthier environment. A built-in trash receptacle in the countertop drops trash beneath the sink to help keep the restroom clean. A vanity mirror is wall-mounted above the sink.

On the men's side of the AQUEDUCT Restroom Trailer are three restroom stations. A private stall has the same features as the women's stalls. An oversized black stall door with a double lock, a porcelain pedal flush toilet, double toilet paper holder, and a coat and hat hook. A privacy divider separate two Sloan porcelain waterless urinals. A shelving area above the urinals is available to place personal items. The vanity sink area has a stainless steel sink, soap and hand towel dispensers, vanity mirror, and trash receptacle.

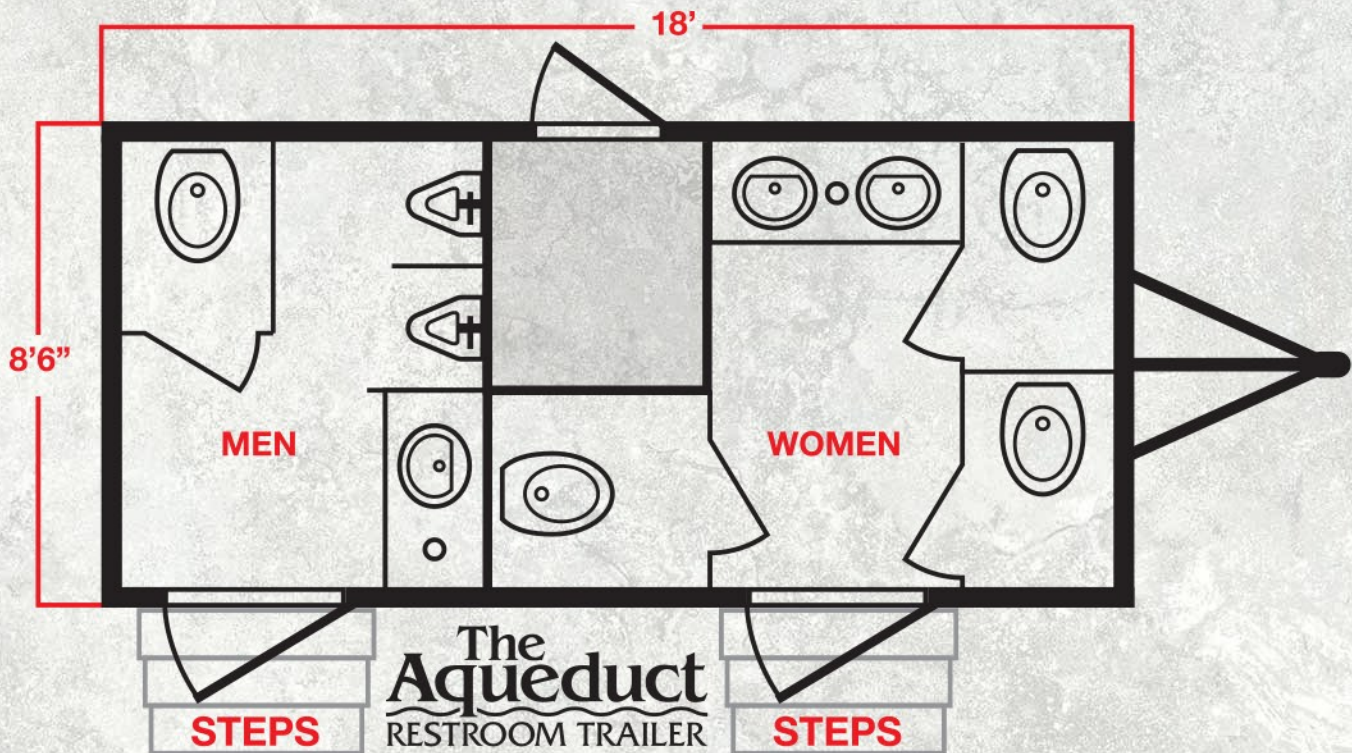

The AQUEDUCT Restroom Trailer offers six restroom stations to handle heavy bathroom use. The vanity area in both restrooms has shelving space to place personal items. Storage cabinets beneath the sink areas are available for supplies with a key locking system for security. The AQUEDUCT Restroom Trailer's white smooth interior walls wipe easily clean and will never absorb any odors. The AQUEDUCT Restroom Trailer offers CALLAHEAD's hospital-grade cleaning service, which is second to none in the portable sanitation industry. A Dometic thermostat heat and air conditioning will provide year-round comfort. Toe-kick heaters in both restrooms will provide extra warmth during New York's coldest winter months. LED high-hat ceiling lighting delivers plenty of light inside the restroom. Electricity for the AQUEDUCT Restroom Trailer runs on a generator or 110-Volt outlet.

The AQUEDUCT Restroom Trailer is available for delivery throughout New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island, the Bronx, and Westchester, Nassau, and Suffolk Counties. We also offer CALLAHEAD's unmatched hospital grade cleaning service daily, weekly, monthly service option or a cleaning service tailored to your job site's specific needs. A CALLAHEAD service technician will clean and sanitize the AQUEDUCT Restroom Trailer with only hospital-grade cleaners and disinfectants and re-stock the restroom with supplies at every service.

Designed for all construction,
commercial or residential locations.

CALLAHEAD is world-renowned in the portable sanitation industry and we have been in business since 1976. We are the world's greatest portable restroom company due to our consistency and innovative equipment and systems that have changed the portable sanitation industry. CALLAHEAD's professional uniformed service technicians clean and sanitize all of our equipment with only hospital-grade cleaners and disinfectants before delivery and at every cleaning service. We will also re-stock the AQUEDUCT Restroom Trailer with supplies at every service. Our innovative equipment and dedication to service have made us the best in the field and unmatched by any other company in the industry. CALLAHEAD is a New York company through and through since 1976. We service only New York to ensure the highest sanitary conditions for the health and safety of our customers. With over 250 New York employees, 125+ service vehicles, and growing, we are proud to deliver the highest quality service only a local New York company can provide. As quoted by Charles W. Howard, CALLAHEAD President and CEO, "Products Push Out, Services Spring Back." This quote means you can create a product and send it worldwide in brand new, pristine, perfect condition; however, the same cannot be said for services. This is why our theory is to develop our company in the world's greatest city and continue being the greatest portable sanitation company in the world. So when you want the best portable restrooms with the cleanest sanitary conditions and the expertise of nearly five decades in the field, only CALLAHEAD delivers every time.

THE AQUEDUCT 6-STATION RESTROOM TRAILER OPTIONAL ACCESSORIES TO RENT:

For added convenience, we are proud to offer the below list of optional accessory items for your AQUEDUCT 5-STATION Restroom Trailer rental. All of CALLAHEAD's rental accessories for restroom trailers were selected to provide the same comforts and hygienic protection to deliver a homelike restroom experience. CALLAHEAD's portable restroom accessory items are unmatched in the industry and include:

- GoJo Hand Cleaning Dispenser installed in the AQUEDUCT 5-STATION Restroom Trailer and filled with the #1 heavy duty GoJo hand cleaner. GoJo hand cleaner is popular among auto mechanics for its ability to quickly break down grease and grime. GoJo Hand Cleaner has become popular with construction workers and contractors to remove acids, cement, and other solvents from hands •
- Antiseptic Dispenser installed inside your AQUEDUCT Restroom Trailer rental, filled with our waterless hand sanitizer. Our waterless hand sanitizer kills 99.9% of germs and bacteria and meets OSHA and Health Department requirements. The antiseptic dispenser is perfect for sanitary protection before and after using the restroom. The antiseptic dispenser supplies approximately 900 – 1300 uses •
- Headliner Toilet Seat Cover Dispenser installed inside each stall of the AQUEDUCT 5-STATION Restroom Trailer, filled with 250 toilet seat covers so every user may have a clean, dry and sanitary toilet seat. •
- Headmist Time Released Air Freshener installed inside the AQUEDUCT Restroom Trailer that will release a fresh, clean scent automatically. •
- Professional Hospital Grade Cleaning Service is available daily, weekly, monthly or a cleaning service tailored to your needs. Our professional uniformed service technician will clean, service and re-stock all supplies at every service.
