

## BEDROCK RESTROOM TRAILER

Construction is widespread throughout New York City, and CALLAHEAD is the largest and most trusted company to accommodate every construction site's portable sanitation need. The **BEDROCK Restroom Trailer** by CALLAHEAD adds to our already extensive list of equipment. It offers 3-stations of bathroom comfort in a restroom trailer. The **BEDROCK** provides separate women's and men's restroom facilities to deliver a very comfortable homelike restroom experience at the job-site. Long-term locations such as high-rise building, bridge, and highway construction, or any job-site in need of portable restroom trailers, will benefit from the **BEDROCK Restroom Trailer**. This is the perfect restroom trailer rental you want more than one bathroom, prefer to have separate women's and men's facilities and do not require one of our larger restroom trailers. Workers on construction sites will be grateful to have the CALLAHEAD brand to deliver the cleanest and best portable sanitation equipment in the industry.

The **BEDROCK Restroom Trailer** is available throughout New York City's five boroughs, Westchester and all of Nassau and Suffolk Counties to Montauk Point on Long Island. This 3-station restroom arrives with filled soap and towel dispensers, and toilet paper. The **BEDROCK** is equipped with a thermostat heat and air conditioning system to ensure workers will have a comfortable trip to the restroom during the coldest New York winters and humid New York summers.

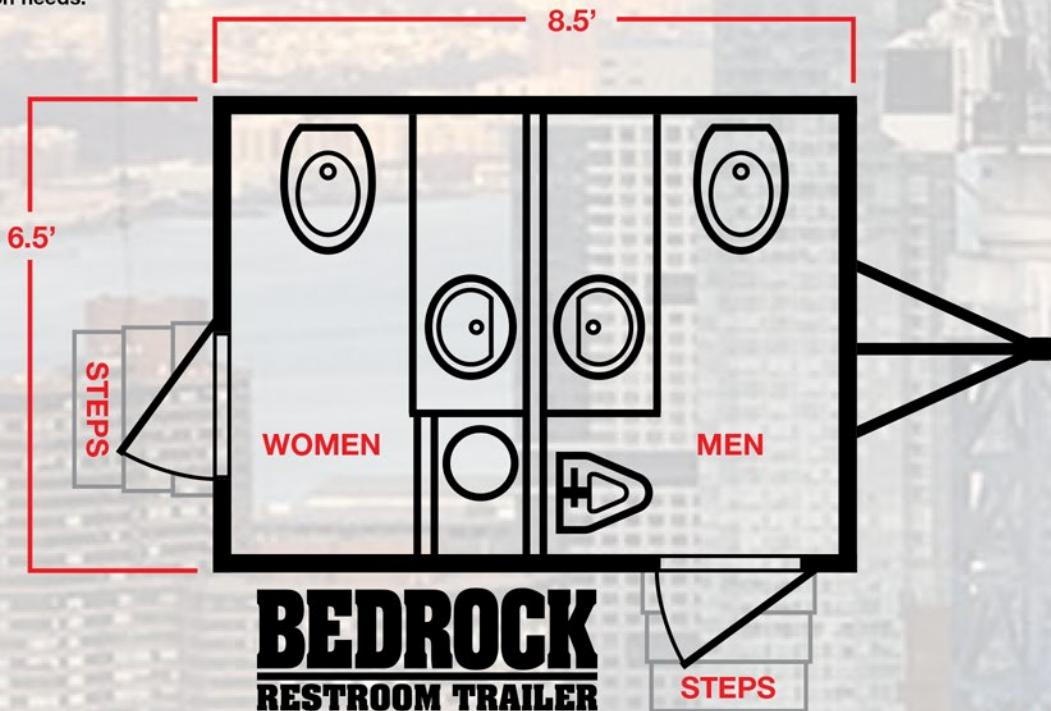

The wide floating steel staircase with aluminum handrails provides safety entering and exiting the separate women's and men's restrooms. CALLAHEAD's signature signage is displayed on the exterior doors revealing the best in restroom trailers. The **BEDROCK's** exterior lighting is available for evening job-sites typical for New York's highway and bridge construction jobs.

The women's side has an extra-large private bathroom equipped with a porcelain toilet and vanity sink area. The self-closing door locks from the inside and illuminates the exterior occupancy sign for assured privacy. The full-size porcelain flush toilet bowl has a pedal flush for hands-free operation. The double toilet paper holder is located conveniently near the toilet bowl. The men's room is also an oversized private restroom. Inside the men's restroom are a porcelain flush toilet bowl, vanity sink, and a Kohler waterless porcelain urinal. The men's urinal is ideally placed on the opposite side of the room away from the toilet and surrounded by walls on three sides for privacy.

Both the women's and men's restrooms inside the **BEDROCK** offer a single home bathroom feel. They have Corian vanity countertops with a porcelain sink basin. The Chicago brand single lever faucet in each restroom will deliver hot and cold running water. Wall mounted stainless soap, and towel dispensers are just above the sink for easy access. The vanity area has a built-in trash receptacle to help keep the restroom clean. There is even plenty of shelving space to place personal items when using the bathroom. Each restroom has a vanity mirror directly above the sink plus storage cabinets are available for supplies. The solid wood white vanity storage cabinets have brushed nickel knobs. The **BEDROCK Restroom Trailer's** gray, high-gloss smooth interior walls wipe easily clean. The white wood trim work extends throughout the restrooms. The wide planked faux wood Armstrong flooring adds to the homelike restroom design. The **BEDROCK Restroom Trailer** brings comfortable sanitation combined with CALLAHEAD's hospital grade cleaning service to deliver the best portable restroom trailer experience at the construction site.

The **BEDROCK Restroom Trailer** has thermostat heat, and air conditioning in addition to a wall mounted fan forced in both restrooms. Ceiling installed vents will provide additional ventilation. LED high-hat ceiling lighting delivers plenty of light inside the restroom. Electricity for the **BEDROCK Restroom Trailer** operates from a generator or standard 110-volt outlet.

The **BEDROCK Restroom Trailer** is available for delivery throughout New York City's five boroughs of Brooklyn, Queens, Manhattan, Staten Island and the Bronx, as well as all of Westchester, Nassau, and Suffolk Counties. We also offer CALLAHEAD's unmatched cleaning service on a daily, weekly, monthly service option or a cleaning service tailored to your job sites specific needs. When you want clean restroom facilities and stress-free service for the New York construction site, let CALLAHEAD's over 4-decades of experience deliver the very best for all of your portable sanitation needs.
