### RESTROOM TRAILER

CALLAHEAD'S WATER MILL RESTROOM TRAILER is an extra-large restroom trailer for long-term rental needs. New York's heavy construction sites have large crews, project managers, trades and clients on-site and they need access to clean and comfortable restrooms. The WATER MILL RESTROOM TRAILER offers 12-restroom stations with separate men's and women's facilities to handle substantial bathroom use.

The WATER MILL RESTROOM TRAILER is not only for construction sites, but any location in need of temporary long-term bathrooms that are clean, comfortable, and climate controlled with a thermostat heat and air conditioning system. Vanity sinks with wall mounted soap, and paper towel dispensers offer sanitary protection to eliminate the spread of germs.

The WATER MILL RESTROOM TRAILER has a bright white exterior plus outdoor lighting. The men's and women's restrooms have separate entrances with wide floating staircases with slip-proof surfaces, and stainless steel handrails.

CALLAHEAD'S signature signage on the exterior represents the best in restroom trailers for peace of mind to ensure employees, clients, and patrons will have clean restrooms available. Inside the women's restroom are six bathroom stalls with a porcelain flush toilet, double toilet paper holder, covered trash receptacle, two interior locks, and a coat and hat hook. The toilet bowls have a foot pedal flush for hands-free operation. The women's stalls also include a covered wall mounted trash container for sanitary products. The men's restroom has two enclosed bathroom stalls and four Sloan porcelain waterless and odorless urinals with privacy dividers.

The WATER MILL RESTROOM TRAILER also includes ceiling vents above the stalls for when you require additional ventilation. There is a vanity area in both restrooms with Corian countertops, and each side has two porcelain sink basins. The Moen auto shut-off faucets provide hot and cold water options. CALLAHEAD fills the wall mounted soap and hand towel dispensers located near the sinks at delivery, and re-stocks them at every service. There are vanity mirrors over the sinks with stylish horizontal wall sconces. There is also a built-in trash receptacle to keep the restroom clean. Storage cabinets below the sinks are provided to store any extra supplies.

The WATER MILL RESTROOM TRAILER has rubberized laminate commercial flooring durable to handle the commercial construction sites. LED high-hat ceiling lights are throughout the entire restroom trailer. A 1500 BTU Coleman Mach heat and air conditioning system inside the WATER MILL RESTROOM TRAILER is thermostat controlled. 1500 Watt fan-forced heaters will assist in keeping the WATER MILL warm throughout the colder winter months. The WATER MILL RESTROOM TRAILER runs from a generator or standard 110 Volt outlet.
